DESIGNERS :	Garroni Design / Michael Peters	

Wellcraft®

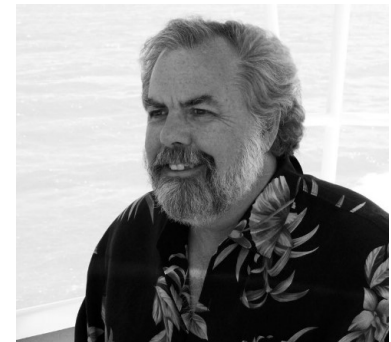

CONCEPT

Bigger & Bolder

Built for all **adventures and types of weather**, the Wellcraft 435 was designed by the famed Garroni Studio in Italy and the highly recognized American naval architect Michael Peters.

Powered with **triple outboard engines totaling over 1.000hp**, equipped with an impressive pilot station, highly responsive controls and exceptional navigation systems, the Wellcraft 435 responds to the toughest demands and meets every challenge - **to go anywhere, to do anything.**

The Wellcraft 435 boasts **large exterior social areas** with an extendable aft cockpit and **fully equipped galley** making the layout perfect for easy movement while gathering with family and friends. Below deck are **two luxurious and spacious cabins with bathrooms** that each have separate showers to provide rich accommodations for up to five.

The Wellcraft logo, featuring a stylized 'W' with a red and blue vertical bar to its left, followed by the word 'Wellcraft' in a bold, sans-serif font with a registered trademark symbol.

KEY POINTS

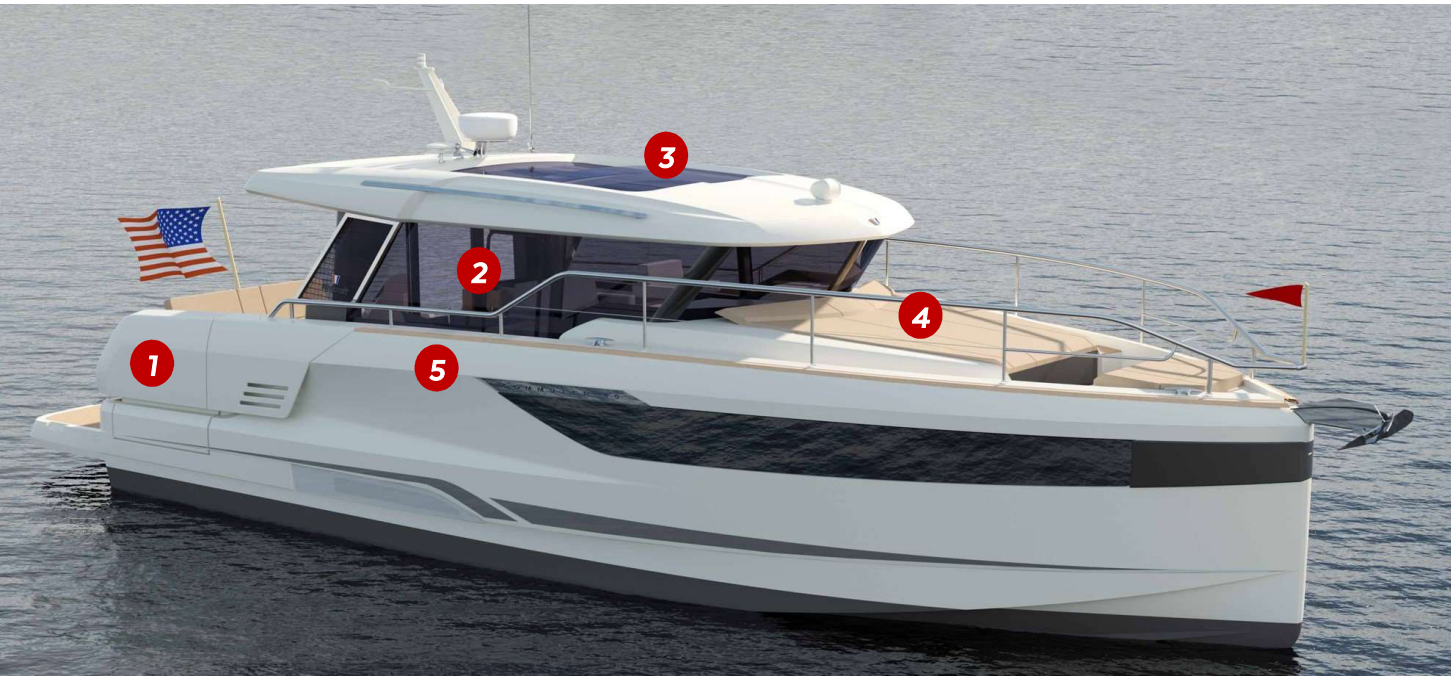

- Life on board is easy and safe with **all comfort for coastal cruising and safe offshore passages**
- **Very protected wheelhouse** with three pilot and co-pilot seats, fully equipped galley on deck level with seamless connection to the aft cockpit
- **Two lateral folding side terrasses** for easy access to the water
- A big social area in the bow with a **huge tripple sunlounger and vis-à-vis sitting**
- **Two cabins** (Master + VIP) and two bathrooms with **separate shower**

HIGHLIGHTS

 **Wellcraft®**

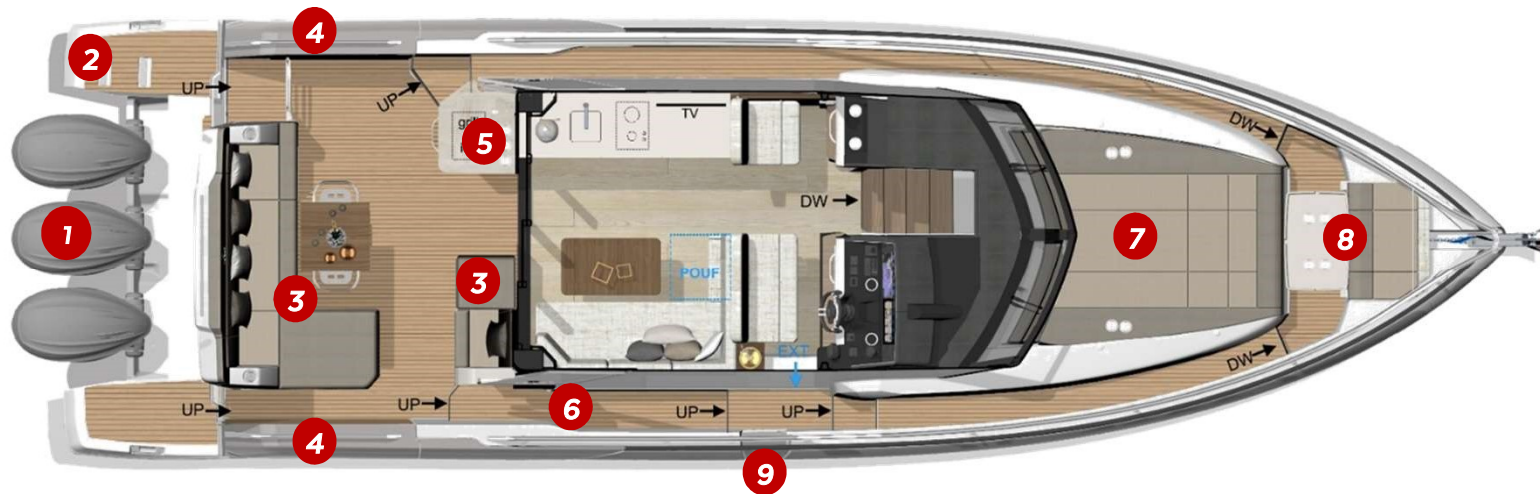

EXTERIOR

- 1 Lateral swim platform
- 2 Lateral sliding door

- 3 Electric opening WEBASTO sunroof
- 4 Front sundeck with bench seat in front
- 5 Side Gate
