2001 Lagoon 380

€162,000 EUR

Completely renovated in 2024!

Boat Details

Boat Type	Sail Yacht
Build	Lagoon
Model	380
Year	2001
Location	Offshore
Hull Type	Catamaran
Hull Material	Fibreglass (GRP)
Fuel Type	Diesel

Mechanical

Engine Type	Inboard
Engine Brand	Yanmar 3JH5E
Drive Type	Sail Drive
No. of engines	2

Specifications

LOA	11.62M
Beam	6.5M
Draft	1.5M
Fuel	300L

Completely renovated in 2024!

TECHNICAL DATA

- French flag
- Length 11.62 m
- Width 6.5 m
- Draft 1.5 m
- Mast height 17 m
- Tonnage 7.2 t
- Diesel Fuel
- Shell material: fiberglass
- 12-passenger certification
- 4 Cabins
- 2 Bathrooms
- 1 Kitchen with oven
- Sail area 79 sqm

Completely renovated. All the work listed below was carried out between May and October 2024. All spare parts were imported by air from an Italian supplier, for a total weight of 540 kg. Invoices are available. The amounts indicated are exclusive of taxes and import duties. Here is the list of work carried out.

STRUCTURE

- Scraping of the hull bottoms, filling, sanding, two coats of Interprotect primer and three coats of International Micro Ultra2 antifouling.
- Sanding, filling and painting of the upper hulls, one coat of primer and three coats of high-quality epoxy. Gloss finish for the sides and satin anti-reflective finish for the deck.
- Replacement of all hull valves (12) with new brass fittings and Trudesign shut-off valves (photos and invoices available).
- Replacement of all portholes with new Lewmar portholes (8).
- Renovation of the fiberglass saildrive cradles with insertion of an 18mm threaded steel metal disc for bolt fixing.

ENGINES

The two engines were unloaded, transported to the workshop, overhauled and all components replaced (spare parts worth €6,000.00), painted and reinstalled on board.

- Engine 1: Yanmar model 3JH5E – 39 hp – year 2013
- Engine 2: Yanmar model 3JH5E – 39 hp – year 2013
- The engine ignition control panels have been replaced.
- The gear shift knobs have been replaced.
- The diesel tanks were removed and cleaned internally.
- The propellers have been cleaned and treated with antifouling paint.
- Furthermore, to allow for long cruises, the two forward water tanks, one of which houses the windlass, were designed to accommodate a larger 300-liter diesel tank. An electric pump connects
the two engine tanks to their respective switching valves, as needed.
- Oil change + engine filters + fuel filters November 2025

RIGGING

- Replacement of upper and lower lateral and front stays, with stainless steel tensioners.
- 10mm galvanized chain (made in Australia), ground, with a total length of 70 meters, plus 30 meters of high-strength rope, mounted on a 30kg anchor.
- Spare anchor weighing 25 kg (photos and invoices available).

DOYLE SAILS

- Sails from 2020, dismantled, serviced and reinforced seams on the mainsail, genoa and storage bag.

- Fully battened mainsail and furling genoa
- Replacement of the rigging for the entire sail area
- Two overhauled hand-cranked winches

ELECTRICAL SYSTEM

- Renovation of the 12 and 240 V electrical system
- New 12 and 240 V control panels
- Inverter new Bluetooth Victron Phoenix Smart 12/240 V 3 kW
- New Victron 240/240 V 5 kW electronic isolation transformer (galvanic protection)
- 2 brand new Victron Phoenix Smart 3 12/50 A chargers (one on each side)
- 4 new Mastervolt AGM 12V 160Ah service batteries
- 2 new Mastervolt AGM 12V 130Ah engine batteries
- 3 x 600W solar panels with charge/battery selector
- New LED navigation lights
- Overhaul, dismantling and replacement with a new windlass clutch.
- Replacement of all interior spotlights with new LEDs.
- Blue night lighting for the cockpit and aft stairs
- Blue underwater lighting at the rear
- Bridge walkway LED
- LED of the central cockpit
- Cabin and dinette fans
- Forced ventilation (inlet and outlet) of cabin lockers.
- Provide an electric generator with a dedicated hull valve, diesel fuel supply and electrical cable routing.
- Plan for four cabin air conditioners, hull valves, cables and water drains
- Masthead windlass
- Bridge lighting
- Complete windlass overhaul including clutch replacement
- 230V service sockets in the cabins and the dinette

ELECTRONICS

- Raymarine Axiom 9 Lighthouse navigator (new) + Pacific Card
- interconnected with external instruments
- External Bluetooth tablet interconnected with Raymarine chartplotter
- New Garmin AIS
- Raymarine Tridata System
- Anemometer
- New Raymarine autopilot
- VHF (2018)
- 2 radio transmitters with external speaker
- New cockpit compass
- New masthead anemometer
- New Bluetooth stereo system, 12V – 300W + 2 internal and 2 external speakers
- Samsung 32″ TV (2018)

PLUMBING

- New Shenker desalination unit – Zen model 100 l/h
- New Marco 12V electronic water pump for 8 people
- 2 electric bilge pumps
- 2 manual bilge pumps
- 2 electric shower drain pumps
- 2 new Jabsco toilets with manual pump
- 2 directional shower faucets with flexible hose

ANNEX

- 5-meter Caribe dinghy with protective cover
- Reconditioned Yamaha Enduro 2-stroke 15 HP engine

ONBOARD EQUIPMENT

- Aft cockpit shower
- Chain well shower
- Cockpit sunshade
- Outdoor cockpit table
- 1 oceanographic EPIRB connected to the boat's MMSI
- 12-person life raft
- Lifebuoy
- 12 life jackets
- Emergency flares
- Binoculars
- Weather station: clock, hygrometer, barometer
- 6 fenders
- Folding aluminum ladder
- Cockpit table and porthole covers
- Fishing equipment and professional rod with bait
- Integrated 80-litre refrigerator with freezer
- 3-burner stove and gas oven
- Multifunctional microwave oven
- Interior cooking area for the saloon seating
- Interior curtains
- Hand and power tools
- Vacuum cleaner
- High-pressure cleaner (needs repair)
- Circular sander for polishing paint
- Dymo for marking the electrical panel
- International Micro UKLTRA 2 8-litre replacement antifouling paint
- Set of 8 strings and spare headphones.
- High-strength mooring lines with steel springs.
- Replacement oil and filters, diesel filters, antifreeze, transmission belts.
- 20-litre jerrycan: 18 yellow, 6 blue, 3 red.
- Grand Amaka
- New cabin mattresses.
- Leisure accessories.
- Extra sheets and towels for each cabin.
- Complete kitchen equipment for 12 people.
