About this vessel

This 2009 Jeanneau 39i is in good condition and is currently berthed in Gulf Harbour.

The owner would also sell a 1/2 share for $90,000 and spends most of his time overseas so the new 1/2 share owner would get the majority of use.

Sought after two cabin version with an aft galley and a spacious saloon with leather upholstery and separate shower in the head.

Equipped with twin helms and powered by a Yanmar diesel 40hp engine on a shaft.

This a spacious cruiser with plenty of storage and would be ideal as a family cruiser for getting out on the water for day trips or extended cruises.

Also conveniently fits in a 12m berth.
