Ready for Adventure!

Spacious & Versatile | Twin Mercury VW 260 TDI engines, Expansive aft deck with BBQ, Premium Simrad electronics, 2 Cabins, Full galley, Diesel heating, Solar panels & Fishing setup.

The Rayglass 3500 is the perfect combination of luxury, performance, and practicality, designed for both entertaining and offshore adventure. With an expansive aft deck, this vessel is built for those who want to make the most of their time on the water. Featuring teak flooring, a Masport stainless steel BBQ, a bar fridge, ample seating, and plush bean bags, this space is ideal for hosting guests, fishing trips, or simply unwinding in comfort. Underwater LED lighting creates the perfect ambiance for evening cruising.

Powered by twin Mercury VW 260 TDI engines, the Rayglass 3500 offers efficient and powerful cruising at 22 knots, with a top speed of 30 knots. Thrusters and a Dockmate Wireless Remote make maneuvering and docking effortless, while Simrad electronics, including a 16" MFD, radar, autopilot, and chain counter, ensure smooth navigation.

Step inside, and the spacious and modern interior welcomes you with two well-appointed cabins, sleeping for up to six, and a fully equipped galley. The kitchen setup includes a gas hob, oven, fridge, freezer, and a bar fridge, making onboard meals a breeze. The Eberspacher diesel heating system provides warmth in cooler months, while solar panels ensure efficient energy use for extended trips.

For fishing enthusiasts, the live bait tank, rocket launchers, game poles, and saltwater deck wash make this an excellent sportfishing platform. The teak cockpit and additional storage options add to its practicality, ensuring that everything you need is within reach.

With premium features like satellite TV, Fusion audio, and LED lighting throughout, this Rayglass 3500 is a truly turn-key vessel, ready for weekend escapes, coastal cruising, or serious offshore adventures.
