Step aboard this beautifully presented Jeanneau NC37, a coastal waters cruiser designed for the Kiwi boating lifestyle. Offering effortless handling, modern European styling, and an indoor–outdoor flow that feels purpose-built for summer, this 2019 NC37 is the ideal family escape vessel and a rare opportunity in the current market.

From the moment you slide open the cockpit doors, the NC37 reveals a bright, open-plan layout that connects the saloon, helm, and cockpit into one social space. Whether you're anchored at Waiheke for the weekend or sneaking out for a late-afternoon harbour run, the design makes entertaining easy — with a generous galley, large windows, and clever storage throughout. The three-cabin layout provides genuine overnighting comfort, giving the whole family room to relax with privacy and space rarely found at this size.

Performance is smooth and confident thanks to the twin Volvo diesels, offering fast cruising speeds when you want to cover ground and quiet efficiency for those long, lazy days on the hook. Bow thruster control, premium Raymarine electronics, and a Fisher Panda generator round out a spec that makes boating simple and enjoyable, even for new skippers or couples boating alone.

With its spacious cockpit, wide swim platform, and warm, inviting interior, this NC37 delivers everything you need for a summer spent exploring the Gulf — in a package that looks and feels far newer than its age. Well cared for, lightly used, and presented in turnkey condition, it's ready for immediate adventures.
