Precision Engineering Meets Timeless French Elegance

Prestige 520 Fly — sleek, spacious, and refined. Designed for effortless cruising with luxury finishes and exceptional comfort at sea. Turnkey condition, awaiting the Summer Season!

The Prestige 520 is the successor the hugely successful Prestige 500. This fantastic boat was part of a dual review in Boating New Zealand for the 520F and 520S. You can find the video link to watch the review and walkthrough on this listing.

Prestige has been going for over 30 years building luxury motor yachts, and the 520 is widely seen as the best selling boat worldwide in it's class.

This particular boat is top of the line, with no expenses spared, she boasts an impressive factory inventory, which is only bolstered by smart and tasteful NZ extras fitted on arrival. This is the first Prestige 520 F for sale on the brokerage market here in New Zealand.

Upgraded interior upholstery paired with the upgraded Wenge dark woodwork gives this boat a beautifully finished interior. She boasts a 3 cabin layout with Prestige's signature mid-ship master cabin, incl en-suite. The guest cabin and VIP both have configurable layouts in either twin or doubles. The fwd cabin has ensuite access to the day head for guests.

The saloon is light and airy, with large glass windows offering a 360 panoramic view of the bay at anchor. A functional galley located aft can be opened to the cockpit. The galley is equipped with high end upgraded Miele appliances, a full size domestic fridge/freezer and a full set of Villeroy & Boch cutlery and crockery. The cockpit has a large L shaped sofa in upgraded luxury outdoor Abacos upholstery with lifting backrests as well as an icemaker. This boat also has a full cockpit enclosure and privacy screens which can be easily removed if needed.

A spacious flybridge is accessed from the cockpit ladder and has a large bimini cover protecting you from the sun. Plenty of sunlounger and seating gives you another entertainment space upstairs, even including a flybridge fridge and galley. The flybridge helm offers excellent visibility, you can see directly to your aft quarter whilst berthing, made all that much easier by the IPS Joystick.

Powered by Volvo IPS 650 2 x Volvo D6 480HP, the Prestige 520 is a true marriage of power and efficiency, boasting an impressive range of over 200nm at cruise speed of 22kts. This boat even has a Williams 280 Jet Tender slotting perfectly into the tender garage, plenty of storage for all the toys. Easy launch & retrieve with a hydraulic platform to have fun on whilst at anchor. There is even an NZ fitted removable staple & bait board for you to catch dinner on.

Fully equipped, turnkey condition, this package is ready to go for you to make the best of the rest of this Summer.
