

Amel 50

\$950,000 USD

A versatile vessel designed to support every kind of journey!

Boat Details

Boat Type	Sail Yacht
Build	Amel
Model	50
Year	2020
Location	Offshore
Hull Type	Monohull
Hull Material	Fibreglass (GRP)
Fuel Type	Diesel

Mechanical

Engine Type	Inboard
Engine Brand	Volvo Penta D3-110 HP inboard engine and Volvo Penta HS25AE-A hydraulic reverse gear
Drive Type	Sail Drive
No. of engines	1
Horsepower	110 HP
Thrusters	Retractable bow thruster 8hp (24V)

Specifications

LOA	16.5M
LWL	14.5M
Beam	4.79M
Draft	2.15M
Bridge Clearance	23.3M
Displacement	24000kg
Weight	20750kg
Fuel	649L
Water	600L
Holding	160L

Accommodation

Cabins	3
Berths	2 double + 2 bunk beds
Heads	2
Showers	2

On Deck

Tender	dinghy, including a new solar protection
--------	---

Features

- * New tender davit system 2026
- * New antifoul July 2026
- * Engine service July 2026
- * New Mass Combi Ultra 24/3500-100
230V inverter (Nov 2025)
- * New 4 x 450W Trina solar panels (Nov
2025)
- * New cockpit enclosure

✔ Safety Equipment

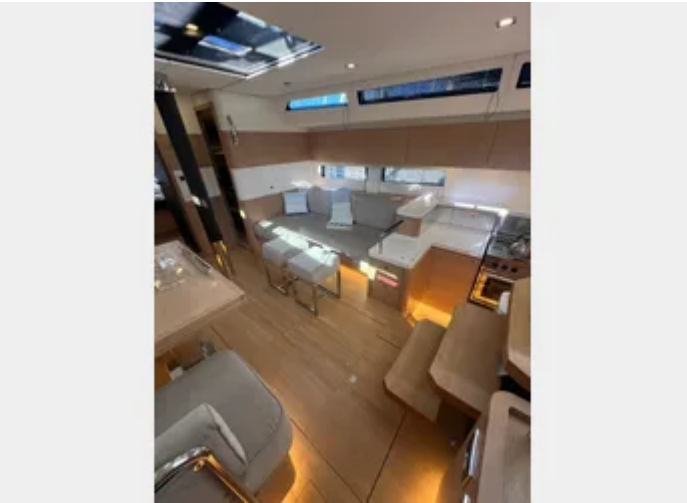

- * Life raft - 8 places - container in balcony support + grab-bag
- * EPIRB
- * Jon Buoy Danbuoy

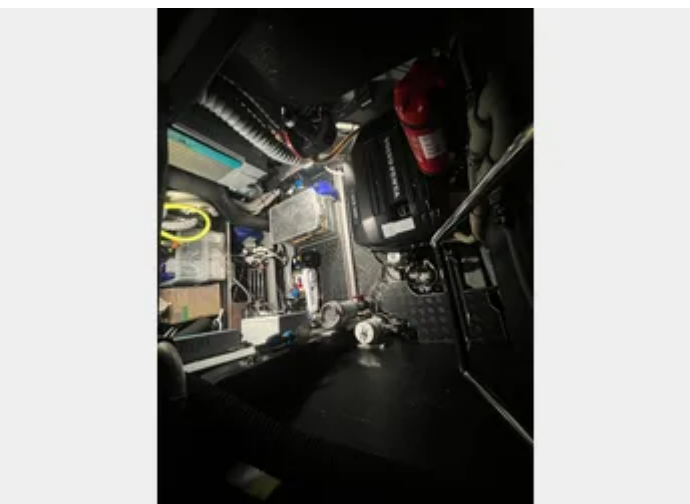

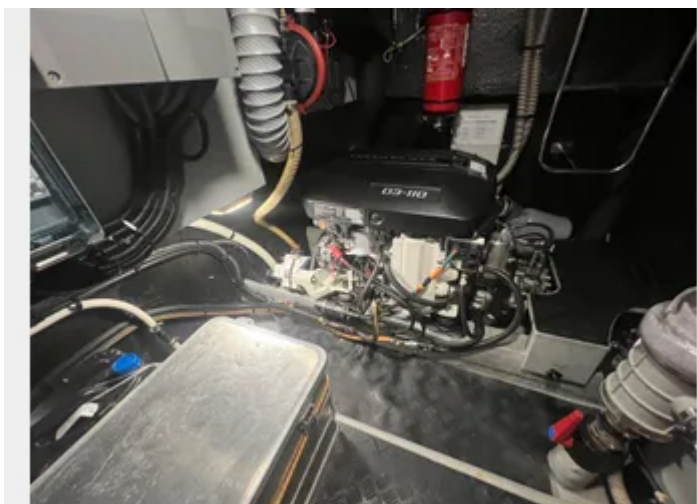

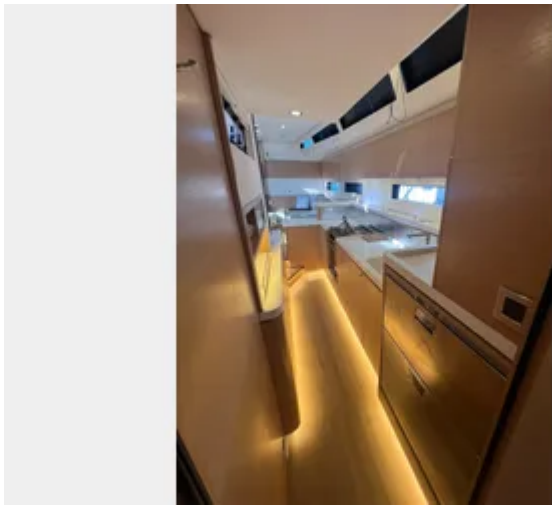

A versatile vessel designed to support every kind of journey!

This 2020 Amel 50 has already explored some of the world's finest cruising destinations, from the turquoise waters of the Caribbean and the Panama Canal to the remote beauty of French Polynesia and now Fiji. Extensively proven on bluewater passages and carefully prepared for extended cruising, she is perfectly equipped and ready for her next adventure.

Exceptionally well prepared for offshore passagemaking, this vessel features a comprehensive Garmin navigation suite with radar, AIS and Iridium GO satellite communications. Recent upgrades include four new 450W Trina solar panels, a reinforced stern gantry with integrated tender lift, new Mastervolt solar management equipment, lithium battery technology and a watermaker, providing the independence and reliability required for life off the grid.

Designed for safe and effortless short-handed sailing, all sail controls are led back to the protected central cockpit, where electric winches and in-mast furling allow sail handling at the push of a button. The self-tacking staysail, retractable bow thruster and proven Amel design make manoeuvring and passage-making remarkably straightforward, whether sailing as a couple or with family and friends.

Below decks, the light oak interior offers a bright and welcoming living space, complemented by custom upholstery and numerous practical upgrades for extended cruising. Powered by a Volvo D3-110 diesel with hydraulic gearbox and folding Varifold propeller, she delivers dependable performance both underway and in close quarters.

Awarded European Yacht of the Year in 2018 in the Luxury Cruiser category, the Amel 50 remains one of the most respected bluewater cruising yachts afloat, combining offshore capability, comfort and ease of operation in an exceptionally capable package.
