Great value for a near NEW alloy trailer boat!

NZ Debut! This brand new alloy boat is high spec and performs exceptionally well powered by a Yamaha 300hp engine. This is an impressive fishing machine at very affordable price for a NEW boat and trailer package!

Introducing the Aqua X Pro 790, a high quality built 7m aluminium boat sitting on a dual axle galvanized braked trailer and powered by a single Yamaha 300hp engine.

The hull is constructed with 6mm thick alloy and the hardtop is made from 4mm thick alloy with the pontoons being foam filled and waterproof making this a solid and safe vessel which also performs extremely well at sea with a cruising speed of 25 knots and a top speed of 38 knots. It wont take you long to get out to your favourite fishing spot!

With a built in toilet, fridge, gashob, sink and a double bed she is well equipped for overnighters or weekends away.

The aft deck is well set up with a live bait tank, bait board, rocket launcher and plenty of rod holders. There are dive ladders on both sides of the twin dive platforms which double as safety rails when in the up position making these areas a comfortable and safe spot while fishing.

The helm is fitted out with a Lowrance MFD and transducer, VHF, trim tabs, windlass control and a Fusion stereo system.

There is also a platform installed on the port side of the bow for a Mincota trolling motor.

On the roof there are rails for storage along with storage in the side of the pontoons.

The boat and trailer are still in warranty and manufacturers warranty on the outboard engine and other accessories.

If you are after a good quality reliable near NEW alloy 7m versatile boat, this is a must to view!

The boat is located in Silverdale for viewings.
