## The luxurious Kokomo is on the market!

Introducing Kokomo to the market! Built by Horizon Yachts she is the perfect blend of Elegance, Luxury and Practicality!

Built by Horizon Yachts in 2016 and launched in 2017 Kokomo is the perfect Yacht for any Boating or Family Lifestyle!

This Horizon has been customized to suit its owners, offering a spacious four state room layout plus crew quarters aft of the engines and a sky lounge that provides a comfortable place to pilot the yacht during extreme weather conditions.

One of the key features is the aft galley- located between the aft deck and the formal dining area for eight- that allows for easy, flexible entertaining between both areas. Forward of the formal dining is the main salon as well as built-in U-shaped seating, both of which are perfect for enjoying the scenery, relaxing with a movie, or sipping cocktails with guests.

Below deck is the full-beam mid-ship master cabin with a King bed and plenty of storage space. Twin guest state rooms both offer sliding beds to create Queen beds if desired and share a head on the portside and a forward VIP includes dual hanging lockers, a Queen bed and roomy head.

This Horizon is also equipped with a fantastic outdoor feature- a beach club area with an automatic garage door and a Hi/Lo swim platform- for enjoying water sports etc.

Powered by Twin Cat C32 1600hp engines and equipped with a bow and stern thruster she is a pleasure to drive and berth and also has a Yacht controller fitted for ease of berthing with a limited crew.
