Covers for reefed headsail

✔ Galley

Microwave
3 Burner gas Hob & Oven
Fridge & Freezer

An immaculate Jeanneau 57, turn key condition

Exceptional value on today's market, this boat is your luxury ticket to the gulf and beyond

Beautifully presented, immaculately maintained. This Jeanneau 57 is a true credit to the current owners. A true testament of the Jeanneau Yachts range.

Originally purchased in Europe, this Jeanneau 57 has been very well cared for. Spending the first part of her life cruising the Mediterranean, she was winterised on the hard each year, meaning she minimised time spent in the water before coming down to New Zealand a couple of years ago.

Here in the Gulf she is the perfect family cruiser. Set up for long distance sailing, with a variety of sails to choose from, the Jeanneau 57 is a very popular model, and it's not hard to see why.

Spacious and well thought out saloon, has plenty of seating, with a good sized galley featuring a gas oven and cooktop, top loading fridge and freezer. Genset and inverter take care of all your power requirements.

This Jeanneau 57 has the 3 cabin layout, plus a skipper's double in the forepeak sharing a head with a midship double cabin. The bulkhead between the two midship cabins has been removed, but can be replaced to form two separate cabins with en suite access to their own heads.

VolksWagen 140HP shaft driven engine provides plenty of power, and a bow thruster helps make berthing a breeze. The teak cockpit has a generous bimini cover, and large sprayhood for protection from the NZ sun. Nice big Raymarine Chartplotter in the centre cockpit table, with Radar and Raymarine electronics package.
