Excellent condition! Ready to go for this summer!

Designed for all-weather cruising, the Leader 40's electronic sunroof transforms the cockpit into a sunbathing paradise in an instant with multiple places to lounge. Well equipped with Generator, BBQ, Electric o/b & tender, she is ready to go!

This Jeanneau Leader 40 features an immense cockpit, with a bathing platform, the perfect place to cast a line, launch your paddleboard or dip your toes in the water on a warm summer evening. In addition, there's space for 6 to dine in comfort around a table hinged for convenience when not in use. The cockpit is also equipped with a fridge and sink.

The electronic sliding hardtop adds an additional wow factor to this Jeanneau Leader 40.

This Jeanneau Leader 40 offers two well-appointed cabins with a shared bathroom and a convertible saloon. Having family and friends onboard is easy for overnight cruising. The galley is very well equipped with a fridge, two-burner gas stove, sink, and of course, plenty of storage.

Arguably the best feature of the Leader 40 is her joystick control, making her a breeze to handle in tight spaces. In addition, she's powered by twin Volvo D6-370HP diesel engines – perfect for cruising around the Gulf and beyond.

On the transom there is an electric bbq and sink that makes cooking easy along with stainless steel railings around the dive platform for safety and davits for the tender.

The engines have been serviced in October 2023 along with fresh antifoul and prop speed.

Enquire today and get yourself a boat that is all ready to go for this summer!
