## 2018 Offshore Version with twin Honda 175HP Engines

The Merry Fisher 895 is one of the most popular boats in it's class, with models all over New Zealand.

The Merry Fisher 895 is rapidly overtaking the 795 as one of our best selling outboard boats in New Zealand. Providing ample accommodation for a family or a couple in each double cabin, she's the ultimate weekender. Each double cabin has hanging lockers, the saloon table drops down to create another double berth and the boat has its own separate head and shower.

She has a nicely appointed galley with two burner gas hob and the 60l Waeco fridge provides you with plenty of space to keep the drinks cold. The 895's innovative design includes a deep V hull, twin Honda 175HP outboards, and a bow thruster for easy manoeuvres and berthing. She's quick up onto the plane, cruising at 25kts with a top speed of around 32kts. The 600L fuel capacity will give you a good range to explore and make the most of your time out on the water!

This boat's engines are freshly serviced, hull antifouled and tidied up for the market, and priced to sell... contact your broker today to arrange a viewing!
