2020 Jeanneau Merry Fisher 895- Looks stunning with its Dark Blue wrapped Hull!

This Merry Fisher 895 has been kept in Excellent condition by its current and previous owners and is the perfect boat for cruising the Hauraki Gulf, Fishing or extended trips away.

The Merry Fisher 895 has been one of our most popular models in the Jeanneau outboard range!

With having 2 double cabins and the ability to transform the saloon seating and table into a 3rd double makes her the perfect boat for family or a bunch of friends to be able to go away on extended trips.

The galley is in the saloon which makes her great for entertaining and has a convenient hinged top for when not in use.

The port side seat next to the helm station has 2 positions, facing forward to keep the skipper company or facing aft to be able to use the table.

She is also equipped with an Inverter so that you can make hot water whilst underway along with having the ability to have 240V power while away from the dock.

There is also a sun awning for if you want to keep out of the sun and Sunpads on the bow for sun bathing.

Powered by twin Honda BF200hp engines and a powerful bow thruster makes her a breeze to drive and berth and having a side door by the helm is great access for when berthing alone.

If you have any questions or would like to arrange a viewing please contact the listing broker Scott Oldfield or one of the other team members.
