The owner needs this boat SOLD, enquire today! Pine Harbour berth available to purchase or rent!

This popular Jeanneau model is powered by Twin Volvo D3 220hp engines with bow thruster and is a pleasure to drive.

This popular Jeanneau model is on the market for the first time. She is in excellent condition and is ready to go!

Equipped with Twin Volvo D3 220hp engines and bow thruster makes her a dream to drive.

Well laid out interior with a separate shower and head, roomy saloon, 2x double cabins and a 3rd cabin/ storage area allows for you to be able to sleep up to 6 people.

With a large dive platform there is plenty of room for fishing and water sports and it also make it easy to get into the Zodiac tender that is conveniently sitting on the back of the boat on a dinghy davit system along with a engine bracket for the Honda 2.3hp engine.

Two of the key features of this boat are the Electric Sunroof and the helm side door. The Electric sunroof is great for those hot days being able to open it up and let a breeze flow through and the side door at the helm makes it simple for getting out to berth the boat yourself or set anchor at the bow.

There is plenty of storage throughout the boat including in the engine bay.

All services and maintenance was completed at the end of 2023 so she is ready to go.

If you are after a cruiser under 40 feet she is a must see!
