INDIS

A high-performance race boat engineered for victory.

This Sun Fast 3300 has been extensively developed for performance and is ready to compete. View now to fully appreciate the level of refinement throughout.

The Jeanneau Sun Fast 3300 is a modern, high-performance sailboat designed with a clear focus on speed, precision, and competitive sailing. Purpose-built for racing, it delivers exceptional versatility — equally capable when sailed single-handed, double-handed, or with a full crew. Its advanced hull design and responsive handling make it highly competitive whether navigating tight buoy courses or taking on demanding offshore passages.

This 2021 model is well-equipped with Garmin electronics and powered by a reliable Yanmar 2YM15 shaft drive, ensuring both performance and efficiency on the water. Proven on the race circuit, it secured 1st place at the Balokovic Cup 2026 and achieved an impressive 6th overall finish in the Round North Island Race 2026 — demonstrating its capability as a serious contender in both inshore and offshore events. Key features include an Axxon carbon mast with Ronstan luff track, Axxon carbon boom, North Sails mainsail, and more! — offering a premium racing setup ready to perform at the highest level.
