Offering superior comfort and high performance all in 34 feet. Currently owned by Americas Cup winning Helmsman Nathan Outteridge, this boat has some serious pedigree..!

This is a fantastic example of the award-winning Sun Odyssey 349. A recent renewal of the charter survey means this boat can keep running itself cost neutral by staying in the charter fleet, or can be purchased for private use, you also have the option of purchasing the 12m berth for it too.

She features a functional interior space, comfortable cockpit and secure deck plan, all of which offer the perfect combination of performance, comfort and safety at sea. Everything has been up spec'd for charter, simplicity and safety are the best words to describe *Vagabond*.

This model has two spacious cabins which share a bathroom with a full shower enclosure. In place of a third cabin, there is a large aft storage area, accessible from the interior and cockpit – the perfect space for on-water toys or extra sails. Her galley is fully functional with plenty of storage space and a gas stove/oven.

Her rig setup is perfect for cruising and social racing, with a code 0, asymmetrical spinnaker rig and a fixed bowsprit. Putting the mainsail away is effortless with the Lazy Bag, ensuring a neat and tidy flaked sail every time.

The cockpit offers a very comfortable space to lounge with cockpit squabs and a removable awning as well as a new cockpit bimini and sprayhood for protection from NZ's strong UV!
