## Available for immediate handover!

Loaded with options, on display here at Orakei and ready to Sail away today!

This brand new, **2025 model, Jeanneau Sun Odyssey 410**, has just landed in New Zealand and is fully equipped for immediate adventures on the water now.

Designed by renowned French designer **Marc Lombard**, the Sun Odyssey 410 features a powerful hull inspired by racing sailboats, ensuring a stable and responsive performance. The **hard chine** running the full length of the hull enhances stability and improves speed, while the **inverted bow** increases waterline length for better efficiency and a smoother passage through waves. The deck layout is designed for safety and ease of movement, featuring Jeanneau's signature **recessed side decks** enabling easy access to deck from the helm. A **lower boom** facilitates easier access to the sail bag and increases sail area, boosting sailing efficiency. **Winches** at the helms with German main sheeting and an electric halyard winch, provide additional safety and convenience for sailors of all levels.

Below deck, the interior is bathed in **natural light**, thanks to numerous hull windows and overhead hatches. The **three-cabin, two-head layout** offers ample space for family and guests, with each cabin featuring generous storage and comfortable, full size, regular shaped, Queen berths. The **L-shaped galley** is fully equipped for easy meal preparation, and the spacious **saloon** invites relaxation and socializing, making long cruises a pleasure.

This particular Sun Odyssey 410 is **loaded with premium options**, making it truly ready to sail away. It includes the **Trim Level Premiere package**, providing essential upgrades for enhanced comfort and a **12/2000VA inverter** to power **240V** electrical appliances from home. The **Downwind Pack** features Dyneema halyards and sheets, a performance mast, spinnaker hardware, performance mainsail and Jib, Rigged for Asymmetrical Spinnaker, Dyform standing rigging, and a hydraulic adjustable backstay, ensuring optimal performance under sail. Advanced navigation and communication systems come with the **Offshore Electronics Pack**, making offshore passages safe and efficient.

For ease of handling and comfort, the 410 has **twin rudders** and, this boat, is equipped with a retractable **bow thruster** for effortless manoeuvrability while retractable for sailing performance, ideal for sailing in all seasons. On deck, a **bimini, sprayhood, and cockpit covers** provide protection from the elements with fitted LED lighting, while the **anchoring and mooring kit** ensures security in various conditions.

With its **cutting-edge design, exceptional performance, and a full suite of premium features**, this Jeanneau Sun Odyssey 410 is the perfect yacht for sailors looking for adventure. Whether cruising along the stunning New Zealand coastline or embarking on bluewater passages, this yacht is ready to deliver an unforgettable sailing experience.
