Kept in excellent condition and ready to go!

This sought after roomy model from Jeanneau, is both well equipped and very well maintained. She comes with the added bonus that her berth is also for sale or rent here at Orakei Marina.

This beautiful two owner Jeanneau 42DS represents a fantastic opportunity to get into a perfect cruising vessel at a great price just in time for summer.

Designed by Marc Lombard, this vessel is a very well-appointed 2 cabin, 2 head version, meticulously maintained and well presented for sale. She has a full service history available to view onboard, was anti-fouled along with having the shaft seal and cutlass bearing replaced in April 2025 and has had a full engine service in September 2024.

With flush windows, twin helms, easy access to the water and comfortable lounging areas, Jeanneau have yielded a boat here which is exceptionally comfortable, but also a joy to sail. The large cockpit and airy deck saloon provide excellent relaxation options both above and below deck.

There is an impressive full beam Master Cabin located aft and a very roomy guest cabin forward, both with their own head/bathroom for your privacy and convenience.

Extras include Honda EU10i portable inverter generator, Waeco 12/240v fridge, Doyle stack pack, all weather full set of clears, Raymarine electronics package plus many more extras.

Lovingly maintained by her owners, *Mascotte* must be seen in person.

Remember the sale of this yacht means that the berth will be available for sale or rent also, should you wish to keep her here at Orakei Marina. This makes her an attractive convenient option for any discerning buyer looking to own a boat readily equipped for all year cruising with family and friends.
