Effortless Elegance, Exceptional Performance & Adventure-Ready!

Step aboard this beautifully appointed 2019 Sun Odyssey 519, a superb combination of style, comfort and sailing performance. Designed by renowned naval architect Philippe Briand, the 519 offers an impressive balance of spacious living, easy handling and confident offshore capability.

This yacht features a highly desirable 3-cabin, 2-head layout, with one generous forward cabin and two comfortable aft cabins, making it ideal for extended cruising, family adventures or entertaining guests. The bright and spacious interior provides plenty of room to relax, while the practical layout ensures excellent privacy and functionality onboard.

Powered by a YANMAR 80hp diesel sail drive, she offers dependable power for manoeuvring in and out of the marina and comfortable motoring when required. The fixed keel provides excellent stability and sailing performance, making her well suited to both coastal cruising and longer passages.

Outside, the spacious cockpit is designed for relaxed entertaining and comfortable cruising, featuring teak cockpit flooring, a cockpit bimini and a large cockpit table — perfect for enjoying meals, drinks and time on the water. A bow thruster provides added confidence and manoeuvrability when docking.

With her elegant lines, spacious three-cabin accommodation, practical two-head configuration and impressive range of cruising features, this Sun Odyssey 519 is an excellent choice for anyone looking for a capable and comfortable yacht ready for her next adventure.
