### 4 cabins, one owner, ideal NZ cruising catamaran

Lagoon's most popular model ever, this fantastic example of the 42 is hitting the market for the first time

This Lagoon 42 has been lovingly cared for by one careful owner since new. Based out of Orakei Marina, you would have the option of renting the berth long term.

*TinTin* has a 4 cabin 4 head layout finished in walnut wood, with an extra bunk made up in the stb fwd cabin, there's plenty of room for your family and friends on board. A beam of 7.7m makes the Lagoon 42 one of the widest catamarans in her class, giving everyone on board space to call their own.

2 x Yanmar 45HP engines are very economical on fuel, then there is the squaretop mainsail and foresail, along with a Code-0 rig, pole and furler for those light wind days. Easy cruising between 8-10kts both under power or sail, but in the right conditions, these boats have been known to fly along.

One of the most popular models from the biggest brand of catamaran in the world, these boats are beloved worldwide and have a very good reputation behind them. If you're a first time buyer or an experienced cruiser, the Lagoon 42 will easily impress you.
