✔ **Comments**

Never has turnkey been more applicable to a boat

## Offshore ready, priced ex-tax, turnkey condition

With no expense spared, this catamaran is immaculately maintained and ready for immediate delivery anywhere in the world.

Orakei Marine, is proud to present this privately owned and fastidiously maintained Lagoon 52 S for sale to the market.

Just returned from an offshore trip to Fiji, *Wishful* is now an officially proven bluewater Cat. Rig checks at either end of the trip, fresh services on engines and a price drop make this boat seriously for sale!

This Cat is a great exemplification of a true ultra-rare owner's version 3-cabin Lagoon 52 S (SporTop), with one hull dedicated exclusively to the owner. It has one of the largest owner's cabins available on a Lagoon catamaran, and no comfort is spared with all cabins boasting incomparable natural lighting, excellent ventilation with deck hatches and portholes, and luxurious en-suite bathrooms.

This is the much sought after SporTop version, with all controls and lines at your fingertips. It differentiates itself from flybridge catamarans by providing easy and safe access from the helm to the mast and boom, excellent line of sight and communications to the cockpit, galley and saloon, whilst maintaining visibility to all four corners of the Lagoon 52 S from the very large comfortable helm station. The helm is set at a much lower centre of gravity making for much more comfortable passages.

There is no compromising comfort and luxury for performance in this Lagoon 52 S. With its diamond shaped vertical bows, bevelled hulls, and tall powerful rig enhancing every sail, whilst remaining faithful to elegance, comfort, safety, and user friendliness. This model of Lagoon 52 S has crossed the Atlantic Ocean multihull ARC in third place, with only two custom high performance composite catamarans in front.

It is offered for sale with an inventory which needs few embellishments. Equipped and enhanced with comprehensive factory additions and also custom Lagoon specifications such as:

- Alpi Oak furniture upgrades
- Custom vanilla Corian countertops
- Clamshell Corian master suite
- 100 litre water heater
- B&G chartplotter (upgraded to the ultra-fast 'S' version)
- Upgraded 'Halo 24' radar
- Upgraded Forward scanning Sonar

All these whilst maintaining a lighter than normal Cat. These Lagoon additions, have been further upgraded by the owners, and now include:

- Watermaker with all freshwater tanks retained
- LG washer/dryer
- Custom 2000 watt solar arch setup
- 9KW Generator
- Victron 5KW Quattro Inverter/charger,
- Custom ultra-high spec Highfield Ocean Master 390 tender with 50 HP outboard

"*Wishful*" is easily one of the best Lagoon 52 S available on today's market.

Price is exclusive of taxes and duty so can be sold & delivered anywhere in the world. Contact your broker today to arrange a viewing.
