20m Orakei Marina berth can be purchased with the boat as a package deal or separately once the boat is sold.

This Maritimo S51 has been kept in immaculate condition by its one and only owner and is ready to go!

Step aboard this stunning 2019 Maritimo S51 and experience the perfect balance of luxury, performance, and practicality. Maintained in immaculate condition by its one and only owner, this vessel stands apart for its thoughtful upgrades, meticulous servicing history, and exceptional presentation.

Powered by upgraded twin Volvo D11 725HP engines – a significant boost over the standard – this S51 offers exhilarating top-end speed and effortless cruising. Shaft drive propulsion, bow and stern thrusters, and responsive handling give you confidence whether you're backing into a tight berth or stretching out for a weekend away.

At the helm, the commanding twin 17" Garmin glass bridge MFDs form the center piece of a fully integrated navigation suite, paired with radar, autopilot, sonar, and engine room cameras — giving you complete control at your fingertips. The addition of a Yacht Controller makes docking effortless, letting you operate the boat remotely with total confidence.

Inside, the S51's signature single-level living invites easy entertaining. Natural light floods the saloon through an electric sunroof, while the well-appointed galley, plush seating, 40" TV, and air conditioning make every passage a pleasure. When the day's done, three generous cabins and two bathrooms provide refined overnight comfort.

The cockpit is equally inviting, with a hydraulic swim platform, electric BBQ, built-in freezer, and underwater lights setting the stage for long afternoons at anchor or seamless on-water entertaining.

This is a turnkey example of one of Maritimo's most versatile models — and with a 20m Orakei Marina berth available as a package or separately, it's your chance to secure the full lifestyle.
