Air Conditioning

Meticulously maintained

Available with a Waikawa berth, this beautiful boat is turnkey condition ready for you to explore the Sounds

Powered by Twin VOLVO D6 IPS engines, she has a generous cruising speed of 25 knots. Tight manoeuvres in the marina are a breeze with joystick control and a bow thruster.

She boasts a huge range of features, contributing to comfort, luxury and convenience on board. Upon entering the cockpit, you will be impressed by the excellent quality of the as-new teak flooring, which has been protected from the elements by a full cockpit enclosure. Not just a protective measure, this enclosure is also ideal for cruising in NZ's variable conditions and is easily removed on sunnier days. Beneath the cockpit lies the immense tender garage, with rollers and an electric winch. An after-market hydraulic dive platform was fitted in 2022, which makes launching the tender a breeze.

Her interior is beautifully bright, enhanced by the electronic sunroof, panoramic windows, and aft glass sliding doors. She features three cabins: a full-beam owners stateroom with separate access and en-suite, and a VIP bow cabin with private access to a large bathroom, shared with the twin cabin. Each cabin has been fitted with generous wardrobe space, hidden storage, soft bedside lighting, and tasteful upholstery. Another highlight is the air-conditioning fitted in every room which is a necessity on balmy summer evenings!

The galley is very well-appointed, with easy access to the cockpit through sliding doors -perfect for entertaining. She offers a spacious fridge, three burner gas stove, and a convection oven so you can prepare all of the meals you enjoy at home.

Prepared and ready for sale, contact the Orakei Marine team for a private viewing onboard this spectacular motor yacht. Can be viewed in Waikawa Marina, Marlborough Sounds.
