Re-powered in 2015 with twin Mercury QSD 320hp engines

Shigeru has been meticulously looked after by its current owners and is in excellent condition and is ready to go!

Built by the Iconic RayGlass boat builders this RayGlass 4000 was re-powered in 2015 with twin Mercury QSD 320hp engines along with the Side power bow thruster makes her easy to manoeuvre or berth.

She has been kept in excellent condition by its current owners and has also had many upgrades including New Simrad Electronics and a Fusion stereo system.

The galley is located in the saloon which make it easy for entertaining with a large BBQ station mounted at the rear of the cockpit.

Downstairs you have the bathroom and head with 3 cabins with berths that can allow for up to 7 people.

The boat has ample storage room with an extremely large lazarette and plenty of rod holders and drink holders.

There is also a windscreen cover along with full rear canopy for the cockpit.
