## A very popular Kiwi Classic!

From renowned NZ boat builder Roger Hill, Monsoon Poon embodies the best of Kiwi craftsmanship. A fun and practical boat tailor made for New Zealand waters.

The fully covered flybridge comes with all-new upholstery and clear covers, creating the ultimate space for piloting in all weather conditions. Enjoy panoramic views and a cozy lounge area perfect for socializing and relaxing as you cruise. The Over Sized lounge cushion doubles as a berth that can comfortably sleep two.

Step inside the spacious saloon, filled with an abundance of natural light thanks to large surrounding windows. The open-plan layout offers a bright and welcoming environment for relaxing or entertaining, with comfortable seating and dining spaces on an opposing sofa setup. A well-equipped galley has a 4-burner gas hob, oven, large sink and plenty of workable space.

The master bow cabin is a standout feature, utilizing the entire beam of the boat. This spacious cabin can be conveniently accessed from either side of the boat. It's the perfect retreat after a day of boating. The second cabin, located in the port side hull, is a smaller but comfortable double cabin that offers privacy and a cozy space for restful nights.

The aft cockpit provides a large space for fishing and fun on the sea. The centrally located BBQ makes entertaining a breeze, turning your boat into a social hub on the water. This can be done day or night with the powerful underwater lights that add to the ambience after sunset. Attached to the back of the central BBQ fixture is also a live bait tank on the large aft duckboard. On deck you can also find a large top loading freezer.

Below the cockpit you will find the twin 300HP MerCruiser engines, that offer exceptional fuel efficiency. The Starboard engine is near new whilst the original Port side engine has had extensive reconditioning. Top speed of 30 Knots, with a cruising speed of 20 Knots. The multi hull leads to fuel-efficient long-range cruises being a breeze with the twin 500L Fuel tanks.

Well serviced and looked after by a dutiful owner who has kept the boat in Turnkey condition. Ready to be used immediately this Summer!

This New Zealand-built beauty is more than just a boat; it's a gateway to unforgettable moments on the water. Combining practicality with fun and comfort, this Power Cat is perfect for those who seek the ultimate Kiwi boating lifestyle.
