2021 Ron Given Power Cat in Immaculate Condition! HUGE PRICE REDUCTION!!!!

Price Heavily Reduced! Only available at \$325,000 till January 31st 2026. 10.5m Gulf Harbor Marina Berth can also be purchased for 60K with the boat as a package deal! The owner would also consider a trade of another vessel.

PRICE REDUCTION TO \$325,000 is only available till January 31 st 2026!

The owner would consider a trade of a Genesis 360/400, Oliver Royal, Kennedy 11, Mustang 380 or similar vessel.

This immaculately presented 2021 Ron Given-designed 10.5m power catamaran is a rare find — combining smart Kiwi craftsmanship, versatile performance, and all the modern features you'd expect in a much larger vessel. Built by the trusted team at Hutchinson Boatbuilders in Tauranga, she delivers comfort and confidence.

Powered by twin 175HP Suzuki outboards with just 240 hours. This planing hull cruises efficiently at 10–15 knots and pushes up to 34 knots at full throttle. Manoeuvring is a breeze thanks to the bow thruster for easy docking. With a beam of 4m, draft of just 0.8m, and over 6 feet of headroom in the saloon, she feels spacious and open while remaining agile and accessible for exploring shallow bays.

Along with just just having new upholstery inside and out her well-appointed interior features two cabins with accommodation for up to three, an enclosed head with hot shower, LPG heating, and a galley complete with stove, hob, fridge/freezer, and a new 34" TV. The cockpit is thoughtfully set up with two alloy chairs, 3 bait boards, full covers, and even underwater lights for evening ambience. Power systems are robust and modern — including a lithium battery bank (4x 120Ah), 2000W inverter, solar panels, and a built-in charger to keep everything running smoothly off-grid.

Electronics include a Raymarine Axiom GPS/Plotter/Fishfinder, autopilot, VHF, and chain counter, alongside a Maxwell electric anchor winch and 20kg Rocna anchor with 60m of chain. A 2.5m tender rounds out the package, making beach landings or quick runs ashore a breeze. For peace of mind, a full boat and motor survey is available to prospective buyers.

An optional 10.5m Gulf Harbour Marina berth is also available for purchase for \$60,000 as a package deal or can be negotiated after the boat has sold.
