Luxury & Style at a steal

This stunning example of a beloved model, the Sundancer 52 is opulent and functional. A true blend of luxury and design

Orakei Marine is proud to present this stunning Sea Ray Sundancer 52 for sale. She boasts all the features you'd expect on a bigger launch, with a sharp price at this level of the market.

A big hydraulic bathing platform gives you plenty of room for storage and fishing whilst at anchor. The open style cockpit is huge with full clears and covers to keep the weather at bay, also featuring cockpit bar, fridge and ice maker. The helm is to starboard, with good visibility and well laid out controls. Twin Raymarine E120 Chartplotter's, Raymarine Autopilot, Auto Anchor and VHF all mounted within arms reach. Cummins Engines and a bow thruster make docking and maneuvering in tight spaces very simple, then once you're out in the open she is quick to plane with plenty of power behind her.

Twin Cummins QSM11 660 HP engines get you up to cruise speed quickly and efficiently. Cruising 23kts and max 30kts, go anywhere in the Hauraki Gulf in comfort and style.

Aftermarket upgrades give this boat a bit of kiwi flair; outriggers, bait board, sat TV, tender & outboard, salt away system on the engines. The list goes on.

Below decks the accommodation of the vessel is beautifully presented. Dark cherry woodwork, and a well thought out saloon and fully kitted galley provide comfortable living areas. Midship to port is a guest cabin with a double and single bunks. The guest cabin has en suite access to the day head for the boat. The master cabin is forward and equipped with it's own en suite head and shower. The saloon has a pull out double sofa bed offering plenty of room

Luxuriously finished in all aspects, this boat is perfect for your summer staycation in New Zealand. Contact Orakei Marine to arrange a viewing today.
