Saloon Dinning Table

1999 Windy Grand Mistral 37, In excellent condition!

Introducing the Windy Grand Mistral 37, known for their sea handling capabilities and re-powered in 2016 she is a pleasure to drive and easy to handle at sea or in a marina.

Please note that the boat and engines are in excellent condition but the drives being 25 years old are working but will need refurbishing or replacement in the near future.

Currently sitting on Lake Taupo and before that she was kept in a dry stack in Auckland the Windy Grand Mistral 37 is the perfect versatile boat for any boating lifestyle whether it be on the lake or on the Ocean!

Repowered in 2016 with twin Hyundai S270 engines along with a full upgrade with Garmin electronics at the helm along with multiple other upgrades all adds to her value.

The Windy Grand Mistral is also equipped with a Generator which is great for an endless 240v supply when away from the dock which also allows you to be able to run the Air Conditioning on those hot days.

The galley is situated downstairs along with a fwd double cabin which has a custom Fleximar mattress and a wall mounted TV. The second double/twin cabin is to the rear of the saloon. The spacious head is located mid-ships between the 2 cabins.

The cockpit is spacious with ample seating and the table can drop down to form a day bed. There is also an electric sunroof which is great for visibility or letting a breeze through the cockpit.

The dive platform is very spacious and the cockpit awning overhangs for sun protection. There is also a bbq conveniently fitted on the transom.

For any questions or to arrange a viewing please contact one of the team.
