A family-friendly coastal fishing vessel.

The Scout 275 Dorado has a LOA of 27'6" (8.38 m), a beam of 9' (2.7 m) and a draft of 16" (41 cm). The hardtop is standard equipment and is one built-in piece. The hull color is an upgrade.

This 2017 Scout 275 Dorado is built with incredible quality and must be seen to appreciate its distinctive features.

The mission of the 275 Dorado from Scout Boats is to serve as a family-friendly coastal fishing boat, this model has all the features that help her fulfil that mission. She seamlessly transitions between hard fishing on Saturday to relaxing times with the family on Sunday.

All with some of the best features available in this class of boat. By creating a hardtop, not only is there a large platform for mounting an antennae of all sorts and outriggers, but it also means the boat can be easily buttoned up with clears for year round boating.

She is powered by Twin Yamaha 200hp engines and has a range of features including; LED cockpit courtesy rope lighting, swim platform with synthetic teak, wave gate with fold away stern seat, large cockpit fishing area, port/starboard in-floor fish box with

diaphragm pump, (4) S/S flush-mount rod holders, Stereo with iPod jack and freshwater washdown with 15 gallon tank.
